For over 100 years, Law Debenture has been a top provider of trustee and related services. Its services as a process agent are currently available in the United States, through Law Debenture Corporate Services Inc.

Appoint us as your agent for legal process in New York and Delaware. We will act as agent for service of legal process in relation to:

- US Patriot Act - Anti-Terrorist/Anti-Money Laundering compliance requirements
- ISDA agreements
- Hedge fund prospectuses
- Contracts, loan agreements, structured transactions
- Other legal documents or arbitration proceedings requiring appointment of an agent for service of process

We provide:

- Simple forms
- Competitive pricing
- Personal service, competent staff
- Efficient service – same day turnaround, in most cases

Law Debenture's global offices providing similar services are located in London, Hong Kong and Jersey. As appointments are often made at short notice, each office has authority to execute service of process documentation on behalf of other group offices where required to overcome time zone issues.

We look forward to working with you. Please call Kate Ledyard, at (302) 482-4269 with your inquiries.
